### Features / Comments

A great option when your looking for a smaller SUV but still with 4WD options.

Handy in our rural lifestyle as these RVRs (Also Known as an ASX) are a good sized SUV for someone who doesnt need a larger vehicle but still requires, ground clearance and 4WD on demand. Also it has the convenience of easy entry and exit due to the higher ride height and better visibility. This vehicle is in great condition and has not been up and down a ski field road or taken fishing down at the river mouth yet... ;)
